

Reconciling Sunday, 1/26/14 was a success, in part due to speaker Gary Strecker and his talk about personal challenges he has endured and conquered. His presentation included a lot of information about a local support group - PFLAG Hartford. It provides an opportunity for conversation by friends and family to create a society that is healthy and respectful of human diversity. PFLAG is for parents, families, friends of Lesbians and Gays and how to provide support, education and advocacy. The group meets monthly in Hartford, on the 3rd Wed of the month at 7:30 pm at Immanuel Congregational Church, 10 Woodland St, Hartford, near the Mark Twain House. More information can be found at PFLAGHartford.org.

This year was blessed with a special service and included our Christmas Pageant. It was great

Who has not noticed the extra cold we have had, the Plymouth Food Pantry (PFP) has seen an uptick in need as families struggle to pay the extra cost of heating this winter. The local grocers and the Can-Can sale has helped as you can see in the picture. The weekly St Paul food donations have made a difference. The PFP has recently, due to our and other donations purchased/received 5,400 pounds of food....keep up the wonderful work and support!

A recent work party this fall did a wonderful job on the stairs off Main Street, Thanks to Bill Schultz and crew, the steps and landings were re-cemented and minor repairs made. Even more impressive is the new Mahogany capping that Bill Schultz has done to greatly improve the safety and appearance of our walkway.

Wow what a pretty Christmas Tree, it was a gift from Ed and Teri Pulaski (Mark Sekorski's aunt). Beautifully decorated by Debbie & Marty Desautels and Rick and Louise Telke, it was a wonderful site all Christmas season.

**Lord Jesus, keep us awake in our faith,
always ready for your return.**
